

Call for Project Posters

This document provides information about poster submissions to the FEnEx CRC 2023 annual conference. The poster session commences at 10am on day 1 of the conference, Wednesday 8 June.

Poster presentation

Poster sessions provide an opportunity to share ideas in a less formal setting than a paper presentation.

A poster is a single page document, typically combining text and images, that embodies a succinct description of work that has been done. Presenting a poster is a good way to discuss and receive feedback on a work in progress that has not been fully developed into a paper.

Please note that **at least one contributor** is required to register, attend and present the poster.

Formatting the poster

Please ensure your poster meets the following requirements:

Size	A0
Orientation	Landscape
Finish	Laminated
Essential Inclusions	Project title
	FEnEx CRC theme
	Key contact (presenter)
	Project partners (organisations)
	Project researchers
	Impact & why is it important
	Project aims
	Project methods
Font	Serif font, size 24
Images	High resolution

Important information

- Please confirm via reply email by Friday 31 March 2023 that you will be submitting a poster for your project.
- There is no printing service on site. Please bring the printed, laminated poster with you to the conference.
- Please submit a digital version of your poster to rochelle.gunn@fenex.org.au by Thursday 1 June 2023.
- Please bring a usb with the digital version of the poster to the conference.
